

A big Hi, to whoever has chosen to fill in this form, I Hope that it isn't a painful experience. This gives you the chance to tell your story & will allow your fellow members to find out a bit more about you. If you could send the form back to me at jfoster969@yahoo.com with a pic, it would be brill. Then your ugly mug & details can be on display for everyone to see – Ha Ha!

Cheerio, ... Jon.
